Clubware 2.0 Retail Manage

With Clubware 2.0 you receive a comprehensive Retail Management suite that includes a touch screen-compatible POS screen, stock control and order systems, as well as support for thousands of products. This tool makes it easy to manage your stock levels, making retail a more profitable part of your business. Clubware 2.0's built-in stocktake tools are easy to use for one branch or all the branches in a wide area network setting.

Comprehensive Stock Control

Clubware 2.0 automatically debits your stock levels at POS and during stocktaking. Intuitive processes for recording shrinkage and wastage of stock are part of Clubware 2.0's truly professional retail management solution.

One-Click Order Generation

Establish re-order levels for stock and generate orders for your suppliers with a single click of the mouse.

The screenshot shows a software window titled "[Metro Fitness] Order - Aussie Health Products 18/11/2010". It includes fields for Supplier (Aussie Health Products), Order Date (18/11/2010), Expected Date, and Completed Date. A table lists order items:

Product	Ordered	Outlets	Received	Cost	Disc. %	Disc. \$	Extended
Health Bar 200gms	24	2	0	11.25	0.00	\$0.00	\$30.00
Diet Bar 200gms	6	1	6	2.00	0.00	\$0.00	\$12.00
	30	3				\$0.00	\$42.00

Order Items: 1 of 2

Multiple Methods of Payment

With Clubware 2.0 you can accept payments by cash, EFTPOS, credit card, cheque, voucher or a combination of any of the above. Accurate reports on methods of purchase are easy to generate using Clubware 2.0's integrated reporting tools.

Member Purchase Histories

Clubware 2.0's POS tools integrate with memberships to enable you to see all the purchases made by a member over time.

Integrated Receipt Printing

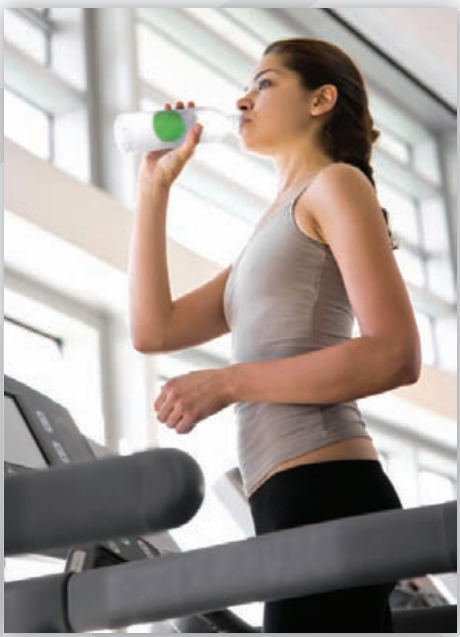

Print receipts at the time of sale, or easily locate past purchases and re-print receipts for members.

Account Payments Through POS

We have made it easy for members to pay for their accounts through POS so keeping up with their payments is as simple as picking up a bottle of water or an energy bar.

Discounts and Refunds

Quick and convenient service is made simpler with Clubware 2.0's full Point of Sale support for providing discounts or refunds on products.

All new touch-screen compatible P.O.S.

Support for multiple payment methods

Z-Off Reporting

Clubware 2.0 has built-in Z-Off reporting to ensure the accuracy of your cash drawers.

Audit Trails

POS purchases are automatically linked to staff members so you can audit your POS results and see product sales by staff member.

Touch Screen-Compatible POS

Clubware 2.0's intuitive touch screen-compatible POS screen makes retail sales at your facility effortless.

Hardware Integration

Integration of the POS screen with cash drawers and barcode scanners makes for fast and easy point of sale operations.
